Best Place to Buy Bulls

Iowa leads all other states in the Union in the number of Shorthorns that are recorded and transferred each year. The quality and character of Iowa's Shorthorns are not surpassed by those of any other State. This year's Iowa Royal Show and Sale reflect the high quality and impressive character of Iowa Shorthorns in the richness of merit of the cattle that are to be shown and sold.

Nowhere in America will there occur this year an opportunity to select from so many bulls that are worthy to be used as sires of registered cattle. The probable price at which these bulls will sell will permit them to be bought for use on grade cattle.

There is no other equipment that can be used on an American farm that will prove more profitable than a herd of pure bred registered Shorthorn cattle. Next to that the most profitable equipment is a herd of good grade cattle upon which a pure bred Shorthorn bull is used. But there is a difference in the value of pure bred bulls. In this sale will be found the sort that are the most valuable because they have descended from stock that has impressed upon the breed the characteristics that go with thick flesh, high dressing percentage, early maturity and profitable feeding.

We invite you to refer to the February 25th issue of the Shorthorn World where you will see pictures of a large number of the sires of the bulls that are being consigned to this sale. Unfortunately pictures of all of the sires were not available but if they had been they would have been just as impressive as those that are shown.

We invite you to attend this show and sale. Come in time to see the cattle exhibited and judged. Study them carefully and critically. Select a bull that is best fitted to mate with the cattle of your herd. Then buy that bull at your own price at the auction in the afternoon. There never was a better time or place to get real herd bull value for the money.

Three very choice well bred heifers will be sold also.

Iowa Shorthorn Breeders' Association
By WILL JOHNSON, Sec'y and Sale Manager

The Guarantee

The cattle offered for sale as shown by this catalog are to be sold subject to the guarantee that is endorsed by the American Shorthorn Breeders' Association and which is commonly used in connection with sales of Shorthorns in the United States. In addition to the above guarantee these cattle are sold subject to passing the sixty day retest for tuberculosis.

Shipping vouchers will be attached to bills of lading on all less-than-carload shipments routed over railroads granting one-half freight rate on pure bred cattle, which includes all of the railroads running through Des Moines.

The terms of the sale are cash. All settlements are to be made with Will Johnson, Sale Manager, 3709 6th Ave., Sioux City, Iowa, who will be at the sale, immediately after the close of the sale, but it shall be expressly understood that said sale manager assumes no liability legal or otherwise and that the guarantees made in connection with the sale of these cattle shall constitute a contract between the consignor and purchaser of each lot.

All statements appearing in footnotes to pedigrees in this catalog were made by the consignors or from information furnished by them.
